

Orientation

Orientation for Early Years

An orientation session was held by Lower Primary Block for the parents of K.G class. Parents were introduced with salient features of Lower Primary Block and Class I. Parents were pleased to receive such informative session and wished for such more sessions at the start of the next term.

Orientation for Matric

New IX Matric students were welcomed and an orientation session was arranged for their guidance. They were introduced to Matric stream, syllabus and paper pattern. Parents also joined the session to ensure they had taken a wise decision.
